Spring/Summer Collections 2017

## Matador Collection

Bring a touch of Spanish flair to your home with this collection of embroidered and woven fabrics. Taking inspiration from the embellishments of matador jackets and the mosaics in The Alhambra; traditional Spanish culture combines with modern colours to create a stunning effect.

## Nordica Collection

Folkloric emblems, chunky stitch effects and clipped yarn techniques create a distinctive Scandinavian look. Linen embroideries in a mid-century style are complemented by woven stripes and leaf trails in this fresh collection, which is rich with texture. Intriguing frayed yarn effects and striking monochromatic detail create interest and eye-catching impact.

## Castle Garden Collection

Capturing relaxed English country style with elements of shabby chic, six woven jacquards offset a beautiful vintage floral trail print and a plain textured chenille. The perfect choice for modern country décor schemes, these versatile fabrics are suitable for drapes and upholstery. Distinguished and liveable, the mix of scales and styles makes this collection eclectic and charming.

## Bloomsbury Collection

Natural motifs flow through this beautiful collection, which draws inspiration from the Arts & Crafts movement. Elegant botanical designs complement printed fabrics that feature exotic elements and intricate trellis patterns. Berry, teal, denim, citron and spice colourways are distinctive and desirable, whilst a herringbone weave and multi-coloured stripe give Bloomsbury a modern edge.

## Halycon Collection

Pretty cottage garden florals embroidered onto linen are the centrepiece of this collection. A soft-flowing, monochromatic paisley design and a delicate diamond pattern on woven jacquards bring contemporary appeal to this elegant collection. Blossom colours mingle with calming neutrals and on trend shades to create a look that works for all seasons.
